

*connected*

So simple. So smart.  
So comfortable.®

Lennox' icomfort Wi-Fi™ is more than a thermostat. Much more. It's a brilliant piece of technology that demonstrates just how committed Lennox is to innovation. And to your comfort. When connected to your home wireless network, **it opens up a whole new world of convenience and control**, including the ability to monitor and adjust your temperature from anywhere in the world. In short, it's time to rethink everything you know about thermostats.

### The center of everything

When you build a revolutionary thermostat, you have to start with a smart thermostat, and the icomfort Wi-Fi is as smart as they come. When paired with premium Lennox® equipment, it **effortlessly coordinates communication between every component of the system**, optimizing energy use and comfort while maintaining your temperature with an accuracy of .5 degree. So you enjoy the highest level of comfort Lennox has to offer.

*icomfort Wi-Fi redefines control and*

*comfort*

## Get to know the thermostat that knows innovation inside and out

Once your icomfort Wi-Fi™ is installed, you'll enjoy an incredibly comfortable home. And a lot more.

**Remote Access** – Once connected to the Cloud through your wireless network, your icomfort Wi-Fi can be controlled from anywhere in the world via your smartphone, tablet, laptop or other web-enabled device.

**Alerts and Reminders** – Not only will your icomfort Wi-Fi monitor itself with advanced diagnostics, it can also send you and your dealer alerts and emails if the system needs service or maintenance.

**One-Touch Away Mode** – One touch or remote click will put your system into One-Touch Away Mode, reducing system use and energy consumption when no one is home.

**Weather Data** – The icomfort Wi-Fi can display live weather alerts and a five-day forecast, so you're always prepared for what's happening outside.

**Touchscreen Operation** – The bright, clear screen is easy to read in any light, and easy to operate with just one finger.

**Balanced Air Quality** – The icomfort Wi-Fi works with your Lennox® system to carefully control both temperature and humidity, filling your home with incredibly comfortable air.

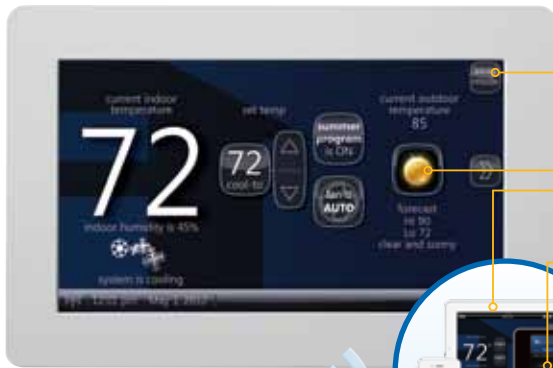

**Peace of Mind** – Like all Lennox equipment, the icomfort Wi-Fi is built to deliver more, and built to last. So you'll enjoy reliable comfort season after season.

**icomfort  
Wi-Fi™**

Lennox®  
innovation  
never felt so  
good. Or so  
convenient.

# Incredible capabilities with a touch.

Remote access from  
smartphone, tablet or laptop

**One-Touch Away Mode:** A simple, easy way to save energy when no one's home.

**Weather-on-Demand:** Live weather data and five-day forecast helps you prepare for anything Mother Nature throws at you.

**Service Alerts and Reminders:** Sent by email, to keep you and your dealer informed of your system's status.

**Remote Access:** Check and adjust your temperature from anywhere.

## Customizable Skins:

By adding a custom skin to your icomfort Wi-Fi™, you can coordinate it with the décor in any room. Available in any color, pattern or design.

## Easy to Operate:

The bright, high-definition touchscreen makes even the most advanced functions simple and intuitive to use.

## Smart Energy Use:

Seasonal schedules save energy all year long, while One-Touch Away Mode helps your system use less when no one is home.

## Five-Day Forecast:

Know at a glance what's in store from Mother Nature with live weather data and a five-day weather forecast.

## Alerts and Reminders:

For greater peace of mind, the icomfort Wi-Fi will automatically contact you and your dealer via email or text alert if service or maintenance is needed.

# Connect to your thermostat your way.

## [The icomfort App](#)

Free to download for Apple and Android devices, the icomfort App is like a touchscreen window into your home comfort. Whether you're on the road or on the couch, simply start the app to check and change your temperature with only a finger.

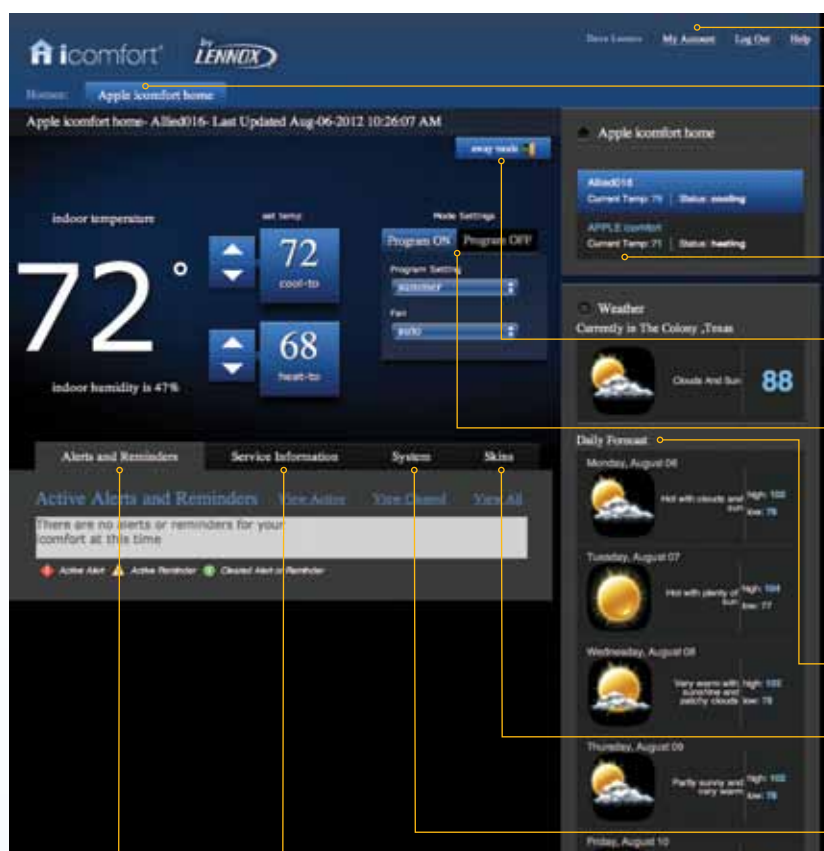

# Your online interface to advanced capabilities.

## The icomfort Dashboard

This powerful website is the central command for your icomfort Wi-Fi™, giving you access to the most detailed features and information in one convenient location. Log on to **[www.myicomfort.com/dashboard](http://www.myicomfort.com/dashboard)** and you'll have everything at your fingertips.

**My Account** – During the installation of your icomfort Wi-Fi™, you'll create an online account to help manage and control every icomfort Wi-Fi you own. On the My Account screen, you'll have the ability to add and edit personal information and dealer information for each icomfort Wi-Fi you own.

**Home(s)** – This screen allows you to select which of your installed icomfort Wi-Fis you'd like to monitor or adjust, while giving you the ability to add additional icomfort Wi-Fi thermostats for different rooms or additional homes.

**Current Indoor Temperature and Humidity** – Check and adjust either setting with just a click or touch.

**Away Mode** – Easily sets your icomfort Wi-Fi to an energy-saving One-Touch Away Mode, so you don't waste energy heating and cooling an empty home.

**Program** – Set your icomfort Wi-Fi to a predefined schedule based on the season, or control the temperature manually.

**Forecast** – Check the five-day weather forecast.

**Skins** – Change the screensaver to a family photo, artwork or any color to blend in with your decor.

**System** – View or edit information about the system to which your icomfort Wi-Fi is connected.

**Service Information** – Edit information about your dealer, or email your dealer with questions or comments.

**Alerts and Reminders** – Stay on top of your system status by viewing any alerts or reminders for needed maintenance or service.

# A brand that delivers beyond basic comfort.

Lennox has always been a leading global name in home comfort. Today, we're pushing beyond the traditional parameters of comfort by setting the pace for environmentally responsible climate control.

So, when you choose Lennox, you can feel good knowing you're getting the best. And when you choose the Dave Lennox *Signature*® Collection, you're getting the best of the best. From the world's first riveted-steel furnace to the first solar-assisted heat pump, products from the Dave Lennox *Signature* Collection are engineered to deliver innovation beyond measure.

## Peace-of-mind protection

The icomfort Wi-Fi™ comes with a five-year limited warranty.

## Dealers you can count on

You can trust Lennox Dealers to design the right system for your home, install it properly and keep it running perfectly for many years to come. Because Lennox has more than 6,000 dealers throughout North America, you can rest assured there's one near you.

# A system beyond compare.

The icomfort™ system delivers the highest level of comfort and savings when combined with these Lennox® products.

#### SLP98V

The quietest, most efficient furnace you can buy\*

#### XC21

The quietest, most efficient central air conditioner on the market\*\*

#### PureAir™

#### Air Purification System

Cleans the air inside your home better than any other single system you can buy\*\*\*

#### Healthy Climate® Solutions

Industry-leading dehumidification, plus whole-home ventilation and more

### Matching your system

Replacing only one part of a system may result in a mismatch that can compromise performance and energy efficiency. For best results, it is recommended that the entire system be replaced at once.

\*Based on sound pressure levels during steady-state, high-fire and low-fire operation of Lennox SLP98VUH070V36B and leading competitive units at mid-point temperature rise and minimum external static pressure when set up per Section 4.5.3 of AHRI 260. Efficiency ratings established per test standard: ANSI/ASHRAE 103-2007.

\*\*A combination of sound ratings established per AHRI's test standard: 270 and efficiency ratings established per AHRI's test standard: ANSI/AHRI 210/240-2008.

\*\*\*Based on laboratory and field studies.

*Innovation never felt so good.®*
