

Elite® Series

EL296E Two-Stage Gas Furnace

Quiet operation

- » **Fully insulated cabinet** reduces operating sound levels

Home comfort

- » **Two-stage operation** minimizes up-and-down temperature changes
- » **Low-speed, continuous fan setting** provides a consistent flow of air

Energy efficiency

- » **Up to 96% AFUE** efficiency rating can save you hundreds of dollars per year when compared to standard furnaces
- » **ENERGY STAR® qualified** – so it meets or exceeds EPA guidelines for efficiency
- » **Power Saver™ technology** – operates at constant torque, which helps maintain consistent airflow in response to varying weather and operating conditions
- » **Improved cooling efficiency** – when matched with a Lennox air conditioner or heat pump, the EL296E will improve the system's SEER (Seasonal Energy Efficiency Ratio)**

Reliable performance

- » **Duralok Plus™ heat exchanger** – made of patented ArmorTuf™ steel to ensure high reliability and efficiency
- » **SureLight® Ignitor** – silicon nitride construction ensures long life and reliable operation
- » **Quality you can trust** – designed with reliable, time-tested components
- » **Advanced engineering** – includes some of the industry's most innovative features and designs
- » **Stainless steel** secondary heat exchanger
- » **Limited lifetime warranty** on heat exchanger
- » **5-year limited warranty** on covered components*

Optimize your system

- » **Dual-fuel capabilities** – when the EL296E is combined with an electric heat pump, it creates a system that can use either gas or electricity to provide heat. Since it can alternate seamlessly between the two fuel sources, the system can always use the most cost-effective method based on outdoor conditions.

As testament to the efficient performance of the EL296E, it has earned the ENERGY STAR label, which means it meets or exceeds guidelines set forth by the U.S. Environmental Protection Agency.

Choosing an ENERGY STAR qualified product like the EL296E can improve your comfort, while also helping you save energy and money. For other ways to make your home more efficient, visit ItPaystoLiveSmart.com.

EL296E

Two-stage gas furnace with Power Saver™ technology

*This product may be eligible for valuable 10-Year Limited Extended Parts Warranty coverage.

**Proper sizing and installation is critical to achieve optimal performance. Verify actual system efficiency.
